Description: Displaced Items

The following items were taken from my personal locker in the A.I Dev. lab:

- Scissors x3 (Fish shears, gardening shears, kid craft scissors)
 - Ball of lavender yarn (Very fuzzy, with white speckles)
 - A stress ball (shaped like a bread bun, decorative)
 - Snowglobe (has heart flakies inside of it)
 - Packet of assorted nuts & bolts x15
 - Gel pens (with clicker clips) x3 (Red, blue, black)
 - Re-useable water bottle (with a cartoon dog on the front)
-
